Dear Tim:

I want to acknowledge the outstanding workmanship and engraving you did on my motorcycle covers. I am very pleased with the results.

Please rest assured I will get the cover with the Presidential seal to President-elect Obama as soon as possible. I think it would be great for the cover to be on the lead motorcycle in the Presidential motorcade.

Again, thank you for your fine workmanship. If you ever have an opportunity to come to West Virginia, please stop by my office for a visit.

With warmest regards,

A handwritten signature in blue ink, reading "Joe Manchin III". The signature is fluid and cursive, with a long horizontal stroke at the end.
